Golden Ratio Woodworks, Inc. VINYL COLORS & FABRICS

IMPORTANT—Actual vinyl colors may be different from what you see here due to the limitations and variations inherent in the printing process and/or computer monitor calibration. If you need to see the exact color, please request a sample swatch. We regret that we cannot be responsible for re-upholstering a product due to dissatisfaction with the color.

ULTRALEATHER—*Ultimate animal-friendly leather alternative sets new standards for aesthetics, performance and luxury. Incredibly supple with a baby-soft feel.*
